TAX CREDIT ATTACHMENT

1. **Explanation of Tax Credit Program:** Eisenhower Ridge/Ridge Top Apartments are to be operated in accordance with the requirements of the Low-Income Housing Credit Program governed under Section 42 of the Internal Revenue Code. Resident’s rights are subject to the eligibility for this Program. Continued occupancy is subject to this eligibility.
2. **Occupants:** Only household members listed on the lease are permitted to occupy the unit. Management must be immediately notified if changes to the household should occur. Occupancy by additional household members is subject to eligibility requirements of the Housing Credit Program. Eligibility **MUST** be certified **PRIOR** to additional household member taking occupancy.
3. **Income Eligibility and Certification:** Resident has been certified as being income and Program eligible for the Housing Credit Program and has signed an income Certification Form attesting to his/her income eligibility. Management must be immediately notified if changes to the current household status should occur. This includes, but is not limited to, changes in:
 - a. Household members
 - b. Full-time Student Status
 - c. Income or Assets
 - d. Need for a live-in care attendant
4. **Annual RE-certification Requirement:** Resident must be initially certified for eligibility for the Housing Credit Program and annual thereafter. Resident agrees that one hundred twenty (120) days prior to the expiration of the lease agreement (if one-year term), the resident will submit all documentation required to re-certify that the resident remains a “qualified household”. This includes an interview with management to determine continued Program eligibility, verification of all income, assets and other eligibility information and signing a new income Certification Form. In the event that the resident fails to cooperate, or is determined no longer a qualified household under the Program, resident agrees to vacate premises upon the earlier of the expiration of the lease, or upon thirty (30) days written notice from the management of non-qualifying status.
5. **Full-time Student Status:** Program requirements state that a household comprised of full-time students must meet certain eligibility exceptions to be Program qualified. If at anytime all members of the household become full-time students, and do not meet any of the exceptions under IRC section 42, the household will be deemed as non-qualified and their lease will not be renewed.
6. **Excess Rents:** If management determines that the unit has become ineligible for the Housing Credit Program due to the resident paying more than the maximum amount of rent including utilities as governed by this Program, management shall pay the resident the amount in excess. It will be management’s responsibility to use its best efforts to locate the resident for this purpose.
7. **Unit Transfers:** If a resident requests a unit transfer to another building, the resident must complete the initial certification process for the new unit. All income asset and other eligibility requirements will need to be reviewed for Program eligibility. All paperwork must be completed and the appropriate requirements of the program, or the unit transfer will be denied.

Public reporting burden for this collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information is required to obtain benefits and voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is authorized by the U.S. Housing Act of 1937 as amended, the Housing and Urban Rural Recovery Act of 1983 and Housing and Community Development Technical Amendments of 1984. This information is needed to be in compliance with OMB-mandated changes to Ethnicity and Race categories for recording the 50059 Data Requirements to HUD. Owners/agents must offer the opportunity to the head and co-head of each household to “self certify” during the application interview or lease signing. In-place tenants must complete the format as part of their next interim or annual re-certification. This process will allow the owner/agent to collect the needed information on all members of the household. Completed documents should be stapled together for each household and placed in the household’s file. Parents or guardians are to complete the self-certification for children under the age of 18. Once system development funds are provided and the appropriate system upgrades have been implemented, owners/agents will be required to report the race and ethnicity data electronically to the TRACS (Tenant Rental Assistance Certification System). This information is considered non-sensitive and does not require any special protection.
